

PARTY TRAYS TO GO

FOR YOUR NEXT OCCASION!

The historic Honolua Store has long been a favorite gathering place for Maui residents and island visitors seeking a hot meal, friendly service and a casual place to just sit and "talk story." Built in 1929, it originally served as the "company store" for the bustling plantation village which encompassed the area known today as Kapalua Resort.

Known island wide for its specialty "Hawaiian Comfort Food" the store is now offering local favorites for your group and catering needs. Available in either half or full trays, each menu item is carefully prepared following recipes handed down through the years.

Our friendly staff can help you create the special menu for your function with only 48 hours notice.
