

JEAN-MICHEL COUSTEAU'S
**AMBASSADORS
OF THE ENVIRONMENT**

The Ritz-Carlton, Kapalua is proud to offer Jean-Michel Cousteau's Ambassadors of the Environment program, which features an environmental and cultural education center with excursions led by expert naturalists. You can hike through the Hawaiian rainforest, snorkel among Maui's beautiful coral reefs and participate in underwater photography sessions while exploring nature's relevance to the Hawaiian culture. The Ambassadors program creates opportunities for each participant to learn about Hawaii's unique environment, while demonstrating connections to the larger global systems.
