Montage Kapalua Bay rings in the Year of the Dragon with a lion dance and martial arts performances by Au's Shaolin Arts on February 16. At 4:30pm, the Lunar New Year festivities will begin at the front drive and proceed through the resort lobby, past Mahana Market, ending at the Cane & Canoe lawn. The lion dance is a traditional dance in Chinese culture, and many other Asian countries, in which performers dressed in an ornamental costume mimic a lion's movements to bring good luck and fortune.
